**Delaware Investments adds senior portfolio manager,
expanding emerging markets debt capabilities**

PHILADELPHIA, May 6, 2013 — Delaware Investments adds **Steven Landis**, vice president and emerging markets debt portfolio manager, to the firm's total return fixed income group. Landis comes to Delaware Investments from FH International Asset Management, where he was portfolio manager for emerging markets debt strategies. Landis started with Delaware Investments on May 1 and reports to Roger Early, co-CIO of total return fixed income strategy.

"Emerging markets debt is a rapidly growing sector, and we recognize the importance of expanding our capabilities in that area," said Roger Early. "Steven has been in the investment industry for more than 20 years, and for the last 12 he's been managing emerging markets debt portfolios — it's an impressive level of expertise in the sector."

The Delaware Investments fixed income team manages more than \$135 billion in assets as of March 31, 2013. The team provides a broad array of taxable and municipal fixed income solutions across a variety of vehicles for institutional, individual, insurance, and private placement investors.

Investing involves risk, including the possible loss of principal.
